Yue (Michael) Ying

Researcher, Data Assimilation Group
Nansen Environmental and Remote Sensing Center (NERSC)
Jahnebakken 3, 5007 Bergen, Norway

ORCID: 0000-0001-9988-3488
E-mail: yue.ying@nersc.no
https://myying.github.io

Research Interests

- Advancing data assimilation methodologies for multiscale dynamical systems
- Dynamics and predictability of complex systems and identifying key physical processes
- Improving the numerical simulation and prediction of complex dynamical systems
